

Aloha,

Hawaii's premiere architecture organization, AIA Honolulu, is excited to announce our 2nd annual signature event, **DnA: Design + Architecture!** Adding to our Architecture Month festivities, the event will take place both virtually and in-person on Thursday, October 20, and Friday, Oct. 21.

More than a conference, DnA is a catalyst for connection and community. Beyond a convention, DnA is a showcase for innovation. Over two impactful days, we'll spark conversation and bring forward the future of design and the built landscape. We've secured an exciting lineup of local and mainland speakers to share their perspectives on a wide variety of topics from resiliency and community innovation to housing and green infrastructure. You'll hear from the best in architecture, design, and beyond while securing up to 8 hours of HSW-certified AIA learning units.

We'll cap off our two days of virtual and hybrid programming with a chance to network and discuss what piqued our interest at a Pau Hana event, which all sponsors may attend.

In the meantime, we hope you'll consider joining us as a sponsor of this intellectually stimulating event. Over these two days, we envision an experience that empowers our community to expand their potential for building a brighter, more sustainable future for Hawaii, and if that resonates with you, we'd love to build a lasting partnership.

Mahalo,
