Examining the AIA Code of Ethics: Inspiration or Imitation

Presenters: Benjamin Lee, FAIA, LEED AP; Katie MacNeil, AIA, LEED AP; Peter Vincent, FAIA, NCARB; Logan Shiroma, AIAS

Moderator: Jason Takeuchi, AIA, NCARB, NOMA

AIA members are dedicated to the highest standards of professionalism, integrity, and competence. Each member signs the Code of Ethics and Professional Conduct upon joining, but how often do you refer back to it? This session will take a deep dive into a few ethical standards within the code and help to answer the age-old question, where is the line between inspiration and imitation?

This interactive session will draw on the experiences of our panelists and audience members to review and respond collectively to real world examples as artists with integrity.
